

60% of high school students in
Faribault
say they drink alcohol.

Should we
do something? (Nah. Sorry.)

“Wait! I
meant **YES**”

This troubling statistic can be changed, but we must work together. Join us as we explore **community solutions**, plan **campaigns and activities**, and work with **parents**. Please change your:

- sorry, don't have time
- it's not my kid, won't happen to us
- this is the schools' problem
- kids will always drink in this town

to a **“yes! Let's do something!”**
